17:30	Session 3: Panel Discussion on future carbon circles
	To avert the climate crisis, we need to defossilise the chemical industry, as well as other sectors, while ensuring a resilient supply of carbon for material use. In our panel discussion on future carbon circles, our experts will cover diverse ways of meeting this challenge, such as recycling, biomass, or utilisation of C1 gases. We have confirmed participants from Neste Germany, DECHEMA, Evonik, RWTH Aachen, and Der Grüne Punkt/Duales System.
18:30	Conference Dinner
